CAMPER HEALTH FORMS

All required health forms will be completed through CampDoc, an electronic health record system for camps. Within 5-7 days of registering your child you will receive an e-mail from CampDoc providing you with your account log-in information, password, and instructions on how to complete all necessary fields and upload all required documents. Any camper without this information completed on the first day of camp will not be permitted to stay on camp premises until all of the required documents have been uploaded to the campers account.
